**Managing cookies in Internet Explorer:**

To view or remove individual cookies, select the General tab. Under "Browsing history", click Settings. Select either View objects or View files.

To accept third-party cookies, check Accept third-party cookies. In the "Keep until:" drop-down menu, select the time period you wish to keep cookies on your computer.

To allow sites to set cookies on your computer, select Accept cookies from sites. To specify which sites are always or never allowed to use cookies, click Exceptions.

To manage cookie settings, select the Privacy tab and click Advanced. To override the automatic cookie settings, click Override automatic cookie handling and then make your selections using the radio buttons.

**Internet Explorer:**

You can deactivate cookies following the instructions below:

- From the Tools menu, select Options. At the top of the window that appears, click Privacy.
- To delete all cookies, under "Browsing history", click Delete.... Check Cookies and then click Delete.
- To manage cookie settings, from the drop-down menu under "History", select Use custom settings for history. Enable or disable the settings by checking or unchecking the boxes next to each setting:
  - Remember that changing settings may modify your access conditions to our services which require the use of cookies. To manage cookies as you wish, please change your browser settings bearing in mind the role of the cookies as specified above.

**Firefox:**

To view or remove individual cookies, click All cookies and site data and select entries of your choice. Select the X that appears next to the cookie to remove it.

To manage cookie settings, check or uncheck the options under "Cookies".

**Safari:**

To remove all cookies, from the History menu, select clear your recent history. Click the arrow next to "Details" to expand the menu, check the items you want to clear, and then click Clear Now.

To view or remove individual cookies, click remove individual cookies.

**Chrome:**

From the Chrome menu in the top right corner of the browser, select Settings. At the bottom of the page, click Show advanced settings.

Under Privacy, select Content settings. Under "Cookies," click Advanced. To define all cookies, click All and select the data and select and delete all of your choice. Select the X that appears next to the cookie to remove it.

**Privacy:**

In compliance with regulations, you have the right to oppose and to access personal data.

You can change to a situation in which you will receive a notification at any time. Internet browser default parameters are usually set to accept cookies. You can change this setting by changing your browser’s parameters. You can accept or refuse cookies on a per-cookie basis, depending on your browsing preferences and the role of the cookies as specified above.

Remember that changing settings may modify your access conditions to our services which require the use of cookies. Therefore, if you decide to block certain cookies (e.g., functional or security cookies), you may not be able to access some parts of our websites.

Each browser has a different configuration. This configuration is described in your browser's help menu. Open this menu to find out how to set your cookie preferences.

You can deactivate cookies following the instructions below:

**Internet Explorer:**

- From the Tools menu, select Options. At the top of the window that appears, click Privacy.
- To manage cookie settings, from the Privacy tab, select Content settings. Under "Cookies," click Advanced. To define all cookies, click All and select the data and select and delete all of your choice. Select the X that appears next to the cookie to remove it.

**Firefox:**

- From the Tools menu, select Options. At the top of the window that appears, click Privacy.
- To manage cookie settings, from the Privacy tab, select Content settings. Under "Cookies," click Advanced. To define all cookies, click All and select the data and select and delete all of your choice. Select the X that appears next to the cookie to remove it.
