# Sollysta Wiring Accessories

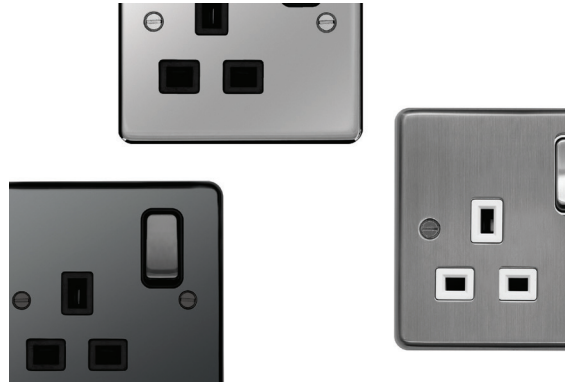

**Designed to inspire confidence, Sollysta's timeless design combines aesthetics without compromising on functionality.**

## The Sollysta Family

Sollysta offers wiring solutions for any application with our White Moulded, Decorative, Grid, IP66 and Metalclad ranges.

## Decorative Finishes

Sollysta Decorative wiring accessories are available in 3 finishes; brushed steel, polished steel and black nickel, with white or black inserts.

## Loop Terminal

Sollysta switches come with a unique patented neutral loop terminal to provide easy neutral conductor termination at a workable height for installers.

## Easier

Terminals on the back all face in the same direction, removing the need to rotate the product during installation.

## Same Features Throughout

Features remain the same across all ranges of Sollysta wiring accessories.

You know that you're getting a reliable, quality solution, whatever the range.
